## Vaccines help protect us

IH Wide – During National Immunization Awareness Week (April 24 – 30), Interior Health encourages individuals and families to stay on track with their immunizations.

“It is hard to imagine a world without vaccines,” said **Dr. Fatemeh Sabet**, Interior Health medical health officer. “I am so grateful for having access to a simple tool that has saved millions of lives and prevented serious consequences of so many vaccine preventable communicable diseases.”

Vaccines are available to protect against a variety of diseases such as cervical cancer, influenza, whooping cough, meningitis, chickenpox and hepatitis.

In B.C., young children are offered vaccines at two, four, six, 12, and 18 months of age. As children get older and begin school, vaccinations continue to be offered. This is to help children develop protection against vaccine preventable diseases. Some vaccinations need booster doses as children enter their teens.

Vaccines help protect us. For example, the Human Papillomavirus (HPV) vaccine is available to all children starting in grade six to protect against infection from types of HPV that cause certain cancers, such as cervical and mouth cancers. A 2019 study showed that the HPV vaccine cut the rate of early stages of cervical cancer by more than half in B.C.

The need for vaccinations does not stop after childhood years. There are many vaccines recommended for adults. All adults in B.C. can get a booster of tetanus and diphtheria vaccine every 10 years. If you missed your basic series in childhood, depending on your health, age and other risk factors, you could be eligible for certain vaccines.

“The single most important factor that helped us reduce risk of severe impacts from COVID-19 and get back to living in a safer environment has been vaccination,” said **Dr. Sabet**. “I am so thankful to everyone who stood up and played their part in protecting themselves and our communities by getting vaccinated.”

Visit the [Immunizations & Vaccines page](#) for information on important immunizations for infants, children, adults, the elderly as well as immunizations for pregnant women and for travel. Contact your [local health unit](#) to speak to a public health nurse if you have questions about vaccines or getting your immunizations up to date.

**Subject:** Health Canada: Poisoned? Call 1-844-POISON-X number for poison centres

Health Canada has launched a new toll-free number, **1-844-POISON-X**, or **1-844-764-7669**, in collaboration with four poison centres across the country.

Please pass the message below to your organization’s members, family and friends, or post it on your website and social media channels.

Each year, over 1,500 Canadians lose their lives and nearly 8,000 are hospitalized due to accidental poisoning from medications, cleaners, cannabis products, and many other household items.

If you have questions about a substance that might be harmful or you think someone may have been poisoned, call **1-844-POISON-X (or 1-844-764-7669)**, Canada’s new toll-free, 24/7 national helpline.

We hope this information is useful to you.

**NEW CHAMBER CASH DESIGN**

**BC CHAMBER OF COMMERCE REGIONAL ROADSHOW**

## Annual General Meeting Held April 18

The Kaslo and Area Chamber of Commerce held our Annual General Meeting on Tuesday, April 18th.

Updates were provided by the Treasurer, Jeff Davie on finances and he also gave the Choose Local report.

Dianna Ducs of Nelson Kootenay Lake Tourism got us all up to date on the many great initiatives they are working on and wanted to remind everyone of the [Infrastructure Funding opportunity](#) available to tourism related organizations.

Our Administration Manager, Alana Jenkins provided a short update on what she's been up to since joining the Chamber in December. Organization and member communication have been her focus so far. Alana has also taken on the role of May Days coordinator, look for that update on page 2. Chyvonne Lynch filled us in on the great progress Kaslo ArtScape is making on their pharmacy mural project. Artist Tyler Toews has provided an initial design and the committee is working to raise the remaining funds required. Keep an eye out for the 50/50 draw supporting the cause at May Days!

## May Days 2023 Update:

Planning has been going well for May Days 2023.

We'd like to give a big thank you to this year's sponsors; The Village of Kaslo, Columbia Basin Trust, Nelson Kootenay Lake Tourism, Kootenay Savings Credit Union Community Foundation, Columbia Power, and the Province of British Columbia.

Our craft market has been extremely popular, all spaces have sold and a wait list started. There is a great variety among the vendors with everything from flowers to ceramics to clothing, food, art and much much more! We'll also have a few charities and informational booths as well.

Volunteers are needed to help with the barricades during the parade, please contact Alana at [thekaslochamber@gmail.com](mailto:thekaslochamber@gmail.com) if you're able to help out!

Entertainment at the Gazebo will be back with a great lineup for kids on Saturday morning and amazing music all weekend long - a big thank you to [Propel Studios](#) for their support.

If you're planning an event you would like added to the May Days 2023 schedule please reach out no later than Friday, May 5th.

PRESENTED BY

**Cathy Peters**

BeAmazingCampaign.org

# A modern equal society does not buy and sell women and children.

Cathy Peters raises awareness about the issue of human sex trafficking, sexual exploitation and child sexual trafficking which is for the purpose of prostitution. She speaks and presents to politicians, police and the public.

Today's slavery has low costs and huge profits; a trafficker can make hundreds of thousands of dollars *per victim* per year.

The average age of entry into prostitution is 12–14 years of age in Canada, although traffickers are targeting children as young as 8. There has been a dramatic increase in child exploitation along with the production and consumption of child pornography. Unregulated technology has increased the demand for commercially paid sex.

The biggest problem in Canada is that the public is unaware of the issue. Women, youth, children, the marginalized and vulnerable will become potential targets and victims unless we do something to stop it.

**Learn. Share. Alert.**  
[BeAmazingCampaign.org](https://BeAmazingCampaign.org)

Cathy Peters is a former inner city high school teacher and, since 2014, has made over 600 presentations to more than 20,000 people.

She has received 14 Challenge Coins from Victoria, Kitmat, North Vancouver, Coquitlam, Richmond, Surrey, and Chilliwack RCMP detachments, RCMP HQ Counter Exploitation Unit, New Westminster Police Department after presenting at the Justice Institute, Federal Corrections, Delta, Abbotsford, and the Vancouver Police Department.

Cathy's work was introduced in the BC Legislature and she was asked to three Federal Justice Committees on human trafficking. She has been a speaker to three MMIWG gatherings, numerous Indigenous groups, and had a booth at the July 2022 Assembly of First Nations Convention where she met hundreds of Indigenous leaders.

Cathy was nominated for an Order of BC Award and for the Carol Matusicky Distinguished Service to Families award. In 2022 she presented at the Global Summit *Connecting to Protect: Addressing the Harms of Porn on Youth from a Public Health Perspective* (University of Calgary) and presented at the first RCMP Human Trafficking webinar for law enforcement across Canada. Cathy received a Queen's Platinum Jubilee Medal for her anti-human trafficking advocacy work.

## Liquor Licensing for Outdoor Sampling Areas Background Information

Below you will find more information about the proposed amendment to allow  
Outdoor Sampling Areas at liquor manufacturer locations.

### Issue

Serving samples outdoors is currently permitted in a Lounge-patio, Special Event Area, or on a staff-guided tour at a manufacturer location (for example: wineries, breweries, or distilleries). In the current legislative framework some manufacturers, who do not have a Lounge or Special Event Area endorsement, are experiencing challenges in permanently licensing their Temporary Expanded Service Areas (TESA) to serve samples outdoors.

### What are TESAs?

The Liquor and Cannabis Regulation Branch (LCRB) implemented TESA authorizations to allow physical distancing during the COVID-19 pandemic. In November 2020, the Minister of Public Safety and Solicitor General (PSSG) committed to make approved TESAs permanent and expedite related applications for outdoor service areas at liquor licensed establishments.

TESA patios that are used to serve samples outdoors are [set to expire](#) on **December 31, 2024**.

### The licensing process

Local and Indigenous governments (jurisdictional authorities) have an important role in liquor licensing.

When someone applies for a Lounge-patio or Special Event Area endorsement, the jurisdictional authority must be notified because the application allows activities that may impact nearby residents, including:

- Serving standard-size drinks by the glass
- Amplified sound and music
- Sports and entertainment

The jurisdictional authority then has the option of gathering public input and considering impacts to nearby residents before providing a recommendation about the application to the LCRB.

#### What is changing?

The proposed amendment to Section 71 will clarify that jurisdictional authorities will continue to be notified of an application regarding Outdoor Service Area(s) at a manufacturer's site when it is in relation to a Lounge or Special Event Area endorsement.

The jurisdiction will not be notified of an application for an Outdoor Sampling Area at a manufacturer's site. Since patrons would be tasting limited amounts of alcohol in the outdoor sampling area, it is the LCRB's view that any impacts to nearby residents or public safety risks would be minimal.

#### Expected Outcomes

The regulatory amendment supports liquor manufacturers to permanently license their TESAs for outdoor sampling and streamlines the application process for Outdoor Sampling Areas in the future.

### ***A match made in heaven...***

***the spotted lanternfly and the spread of the tree of heaven in the Kootenays***

Please join us to celebrate the accomplishments of the past year and hear about some of the fascinating work taking place in our corner of the world. Before the AGM we will be presenting a speaker presentation on two inter-linked invasive

species threatening our region: spotted lanternfly, an agriculture pest and it's host the tree of heaven. We hope to see you there!

***What is black and white and red all over? Hint: it isn't a newspaper. In fact it feeds on over 70 plant and tree species, especially fruit trees, is featured on [late night comedy](#) and is causing 45%-100% loss of grape crops in the mid-Atlantic states. Oh no! Save the wine!***

## A b o u t t h e S p e a k e r s

**Dr. Chandra Moffat, Research Scientist with AAFC – [Summerland Research and Development Centre](#)**, will be presenting “*Knocking at the door: The invasion risk posed by spotted lanternfly for Canada.*” Chandra will provide information on spotted lanternfly and its association with tree of heaven; the threat spotted lanternfly poses to numerous industries in Canada; and preparations for the imminent arrival of this insect pest species.

**Dr. Hester Williams, Post Doctoral Fellow with AAFC – [Summerland Research and Development Centre](#)**, will be presenting *Tree of heaven: An invasive plant with a double punch!* Hester will provide background information on tree of heaven and its impact as an invasive plant species; how tree of heaven may facilitate the spread of spotted lanternfly into Canada, and how biological control of tree of heaven may contribute to the management of both invasive species

**PURPOSE:** To consider a recommendation from the Health Advisory Committee

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. **Do not endorse the recommendation. *The decision will be communicated to the committee.***
2. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT the recommendation from the Health Advisory Committee regarding allocation of the Growing Communities Fund be received for information but not acted upon.
---

**ANALYSIS:**

- A. **Background:** The Village of Kaslo received a grant of \$919,000 through the Growing Communities Fund. At their 2023.05.15 meeting, the Health Advisory Committee recommended to Council that \$70,000 of those funds be spent to update the drawings for an expansion of the hospital.
- B. **Discussion:** Staff from the Ministry of Municipal Affairs, Local Government Infrastructure and Finance Division, responsible for administration of the grant program, have advised that the proposed use of funds is not eligible. The Growing Communities Funds must be used to improve municipally-owned infrastructure.

SUBJECT: Kaslo Housing Society – Noise Bylaw Variance Request

**PURPOSE:** To consider a request from the Kaslo Housing Society to vary the provisions of the noise bylaw for the grand opening of the Penny Lane apartments.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. **Grant the variance. *The event can proceed as planned.***
2. Do not grant the variance. *Amplified music will not be permitted as part of the event.*
3. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT an exemption from the Noise Bylaw be granted to the Kaslo Housing Society for their June 8<sup>th</sup> event.

**ANALYSIS:**

- A. **Background:** The Kaslo Housing Society is preparing to hold a grand opening event to celebrate the completion of the Penny Lane Apartments. Speeches and music are planned as part of the event. A Council resolution is required to provide an exemption from the provisions of the current Noise Bylaw, which prohibits amplification.
- B. **Discussion:** The application was submitted 30 days in advance of the event, in accordance with the provisions of the Noise Bylaw. The proposed event is scheduled to run from 4:00 p.m. until 7:00 p.m. which is within the 3 hour maximum permitted by the bylaw.
- C. **Attachments:** Noise bylaw variance application

SUBJECT: Request for Support – Kaslo Shakespeare Festival

**PURPOSE:** To consider a request for financial assistance from the Kaslo Shakespeare Festival.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. Provide free rent to the group. *A grant-in-aid will be issued to offset the amount of rent payable.*
2. **Deny the request for free rent. The organizers will be advised of Council's decision.**
3. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT the Kaslo Shakespeare Festival's request for a grant-in-aid to offset Front Street Park stage rental costs be denied.

**ANALYSIS:**

- A. **Background:** In 2022 the Kaslo Shakespeare Festival performed at the Langham Theatre. This year they are planning a free public performance of *The Tempest* on the Front Street Park stage in late June or early July. The organizers would like the Village to reduce the \$100 rental fee that applies to the venue.

Since the rental rates are set by bylaw, Council can not by resolution waive the applicable fees. The appropriate mechanism for providing this assistance, if Council so chooses, would be through a grant-in-aid.

- B. **Discussion:** In addition to paying the rental fee, the event organizers will be required to provide liability insurance coverage for their activities. The proposed activities meet the Municipal Grant and Recreation Grant eligibility criteria, and the amount of the funding request falls within the program limits. These grants are not issued to individuals or businesses, so the application would need to be submitted by a formal organization and accompanied by a current financial statement. The intake for 2023 Municipal Grants has closed, as has the Spring Recreation Grant intake. The Fall Recreation Grant intake will occur after the proposed events.

Council has not budgeted for additional grants-in-aid, beyond Municipal Grants and Recreation Grants. In the absence of a policy on the matter, Council must make decisions about requests for financial assistance on a case-by-case basis.

- C. **Attachments:** 2023.05.10 Letter from Colin & Wendy Poer
- D. **Financial Implications:** Renting Front Street Park, with the stage, costs \$100/day, plus tax.
- E. **Corporate Priority:** Nil
- F. **Environmental Implications:** Nil
- G. **Communication Strategy:** Nil

To the members of City Council

Last year we inaugurated the Kaslo Shakespeare Festival with performances of *Mid Summer Nights Dream* in July. We performed a free preview of the play at the new Front Street Theatre during the Farmers market which was well received.

This year we have a wonderful cast of local community members including teenagers who have come together to work on Shakespeare's *the Tempest*, to be performed at the end of June - beginning of July. We would like to offer a free outdoor preview again. However, the Farmers Market has expanded and the stage will be used for vendors. We are hoping to rent the stage for a day perhaps the 29 or 30th of June. We are wondering if the Village would consider offering us a discount on rental fees for this free community event.

We would be glad to answer any questions you have. Thank you for your consideration.

SUBJECT: Request for Rent Relief – Kootenay Lake Innovation Centre

**PURPOSE:** To consider a request from the Kootenay Lake Innovation Centre for rent-free occupancy of the Kemball Memorial Building for 6 months.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. Provide free rent to KLIC. *A grant-in-aid will be issued to offset the amount of rent payable.*
2. **Deny the request for free rent. KLIC will be advised of Council's decision.**
3. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT the request for rent relief from the Kootenay Lake Innovation Centre be denied.

**ANALYSIS:**

- A. **Background:** The Kootenay Lake Innovation Centre (KLIC) occupies several rooms in the Village-owned Kemball Memorial Building. Since October of 2020, their co-work space has been located in Room 106 which includes an attached vault. KLIC also rents rooms 105 & 105A and sublets them to a third party. From October of 2020 through the end of 2021 KLIC enjoyed free use of the second floor Courtroom space, but this location is currently rented to another tenant.

Since the rental rates are set by bylaw, Council can not by resolution waive the applicable fees. The appropriate mechanism for providing this assistance, if Council so chooses, would be through a grant-in-aid.

- B. **Discussion:** KLIC provides a valuable service to the community, offering co-working space for residents and visitors to the area. KLIC is requesting 6 months of rent relief for Room 106, valued at \$5,888.40 + GST. KLIC has cited the poor condition of their rented space, lack of temperature control and the negative impacts of neighbouring construction as barriers to their ability to attract enough members to become self-sustaining. They are seeking continued financial support from the Village, in the form of rent relief, on these grounds.

Council has not budgeted for additional grants-in-aid, beyond Municipal Grants and Recreation Grants. In the absence of a policy on the matter, Council must make decisions about requests for financial assistance on a case-by-case basis.

- C. **Attachments:** Undated letter from “KLIC Board”
- D. **Financial Implications:** Since October 2020, KLIC has paid over \$40,000 in rent to the Village, and these funds have been used to offset Kemball Memorial Building operating costs. Of this amount, over \$10,000 represents rent for Room 105 & 105A which KLIC sublets to a third party

for a profit. KLIC has not ever paid rent for the vault attached to Room 106 (approximate value of \$5,200), and they received free use of the second floor Courtroom for over a year (approximate value \$13,000). Since October 2020, the Village has provided rent relief totalling over \$18,000 to KLIC. Despite rising maintenance costs, the rent at the Kemball Memorial Centre has been unchanged since 2020.

Location	Square Footage	Rental Rate	Amount of Rent	GST	Total Payable
Room 105	211	\$1.40/sq. ft.	\$ 295.40	\$ 14.77	\$ 310.17
Room 105A	127	\$1.40/sq. ft.	\$ 177.80	\$ 8.89	\$ 186.69
Subtotal	338		\$ 473.20	\$ 23.66	\$ 496.86
Room 106	701	\$1.40/sq. ft.	\$ 981.40	\$ 49.07	\$ 1,030.47
Vault	117	\$1.40/sq. ft.	\$ 163.80	\$ 8.19	\$ 171.99
Subtotal	818		\$ 1,145.20	\$ 57.26	\$ 1,202.46
Courtroom	722	\$1.20/sq. ft.	\$ 866.40	\$ 43.32	\$ 909.72

- E. **Corporate Priority:** The 2021 Strategic Plan identified the following objective: “Encouraging the Kemball Co-Work Space and Tech Hub initiative, keeping the options open for the future of the Kemball building.”
- F. **Environmental Implications:** Energy efficiency upgrades are included in the planned improvements to the Kemball Memorial Building, although the Village does not currently have sufficient funds in place to complete all the needed work. Without rental revenues, the Village must find other sources to cover building maintenance expenses and fund improvements.
- G. **Communication Strategy:** Nil

# KLIC Village of Kaslo Formal Request

Dear Village of Kaslo,

The 9 member board of KLIC is writing to express our interest in helping support the completion of the Kemball building renovation in exchange for rent waived in our main shared office (room 106) until November 2023 for a total of \$6,182.82. We will continue to pay rent for room 105 and board members that reside in room 108. We are experienced in grant writing and corporate sponsorship and would like to offer our services to secure funding to finish this important project.

As you know, the Kemball building has been a cornerstone of the community for many years, and [we have been working hard as an organization to support and fund it for 3 years](#) with over \$40K in rent + volunteer hours supporting other tenants and the building. We had over 50 professionals use our main shared office room 106, but due to HVAC and windows - over half of year the room is too hot or freezing cold, or noise levels with construction last year, or the quality of the building inside, we have tried to fix the issue with many hours of labour, but we cannot maintain membership. The room is still critical for us to work, meet and support community programs and we have paid rent despite all the building issues. We believe that with the renovations, we can finally maintain a coworking membership to pay the rent. We are confident that we can help to secure the necessary funds to complete this project successfully. We are partnered with many organizations including KAST + Nelson Innovation Centre who are proud supporters.

**Please watch this short video with their support of KLIC <https://kootenays.org/kast> explaining why a quality coworking space is important with a technology innovation centre and how they may support us with similar funding.**

We understand that the Village may have its own set of priorities and concerns, but we would like to assure you that we are fully committed to seeing this project through to completion. We believe that the Kemball with KLIC has the potential to be a hub of community activity and a source of pride for the Village, and we are eager to do our part to make that happen.

Thank you for considering our proposal. We look forward to hearing back from you and discussing this opportunity further.

Sincerely,  
KLIC Board

for a profit. KLIC has not ever paid rent for the vault attached to Room 106 (approximate value of \$5,200), and they received free use of the second floor Courtroom for over a year (approximate value \$13,000). Since October 2020, the Village has provided rent relief totalling over \$18,000 to KLIC. Despite rising maintenance costs, the rent at the Kemball Memorial Centre has been unchanged since 2020.

- E. **Corporate Priority:** The 2021 Strategic Plan identified the following objective: “Encouraging the Kemball Co-Work Space and Tech Hub initiative, keeping the options open for the future of the Kemball building.”
- F. **Environmental Implications:** Energy efficiency upgrades are included in the planned improvements to the Kemball Memorial Building, although the Village does not currently have sufficient funds in place to complete all the needed work. Without rental revenues, the Village must find other sources to cover building maintenance expenses and fund improvements.

SUBJECT: Beer Garden Application – Kaslo Slo-Pitch

**PURPOSE:** To seek Council approval for a Beer Garden as part of the July Slo-Pitch tournament.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. **Approve the request, with conditions. *The organizers will proceed with licencing, subject to meeting the requirements specified.***
2. Do not approve the request. *The applicants will be advised of Council's decision.*
3. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT a Beer Garden Licence be granted to Kaslo Slo-Pitch for July 14-16, 2023, subject to compliance with all government requirements and washroom use arrangements acceptable to the campground operator.

**ANALYSIS:**

- A. **Background:** The Kaslo Slo-Pitch group is planning a tournament from July 14-July 16 at Murray Pearson Ball Field. They wish to hold a Beer Garden fundraiser as part of the event. A Council resolution is required to authorize the permit.
- B. **Discussion:** An application has been received, and most of the requirements have been met. The name of the controller must be provided, and the group must make arrangements for washroom use (either in cooperation with the campground operator, or by bringing in portable toilets). Council can provide conditional approval, specifying the requirements that must be met.

## SPECIAL EVENT PERMITEE QUICK REFERENCE LIST

As the holder of a Special Event Permit, it is important to know your responsibilities. The following is a short reference list of your key responsibilities as a Special Event Permit holder.

**Note:** This is not an exhaustive list. Please read the [Special Event Permit Terms and Conditions Handbook](#) for full details on your responsibilities.

### As a special event permittee, you must:

**Follow B.C. liquor laws and the terms and conditions of your Special Event Permit at all times.**

- Your permit may list additional terms and conditions that you must follow.
- Read the Terms and Conditions Handbook carefully. It can be found at: <https://www2.gov.bc.ca/assets/gov/employment-business-and-economic-development/business-management/liquor-regulation-licensing/guides-and-manuals/guide-sep.pdf>
- The Liquor Control and Licensing Act and the Liquor Control and Licensing Regulations can be found at: <https://www2.gov.bc.ca/gov/content/employment-business/business/liquor-regulation-licensing/liquor-licence-permits/liquor-law-policy/liquor-legislation-regulations>

**Ensure that you, as the permit holder, do not consume liquor during the event.**

You cannot designate substitutes and your staff must not consume liquor at the event. For more information, see the 'Your Presence and Staff Conduct' section in the Terms and Conditions Handbook.

**Ensure the area in which you will be serving liquor is surrounded by a barrier sufficient to contain the sale.**

**Load for your venue.**

- If the maximum attendance limit on your permit is different than the occupant load for your venue, you must not exceed the occupant load for your venue.
- For more information, see the section on 'Overcrowding' in the Terms and Conditions Handbook.

You must have effective policies in place to meet this obligation.

## Liquor and Cannabis Regulation Branch **SPECIAL EVENT PERMITEE QUICK REFERENCE LIST**

**Ensure your guests do not become intoxicated at the event site and that no one is harmed because of liquor misuse or criminal activity.**

- You must take reasonable measures to prevent disorderly conduct or unlawful activities from taking place at your event site.
- If your event poses a threat to people's safety, the liquor inspector or police can cancel your permit and order the immediate removal of guests.

**The permit holder must be present during liquor service hours and ensure liquor is served only within the hours indicated on the permit.**

- For more information, including details on how to assign a designate, see the section on 'Your Presence' in the Terms and Conditions Handbook.

**Ensure all staff serving liquor at your event have Serving It Right (SIR) or Special Event Server (SES) training**

- For information on who must have SIR or SES, see the section on 'Serving it Right and Special Event Server' in the Terms and Conditions Handbook.
- The SIR and SES courses can be found at <https://www.responsible-servicebc.gov.bc.ca>.
- Paid staff and volunteers must not consume liquor during work hours.

**Keep the following documents on-site at your event:**

- Special Event Permit (see 'Records' in Handbook)
- Site plan (see 'Site Plan and Security Plan')
- Signage (see 'Permit Documents')
- Serving it Right certificate or Special Event Server certificate information (see 'Serving It Right/Special Event Server')
- Incident log (see 'Overservice and Intoxicated Patrons')
- Liquor Receipts (see 'Liquor Source')

**Ensure you are following all other relevant regulations.**

- Before your event date, be sure to connect with relevant authorities for more information on rules that may apply to your event. This could include your municipality or Indigenous Nation of jurisdiction, fire department, the Agricultural Land Commission or others.

### **Further assistance**

Further information regarding liquor and cannabis regulation and permitting in British Columbia is available on the Liquor and Cannabis Regulation Branch (LCRB) website at <http://www.gov.bc.ca/lcrb>.

SUBJECT: Langham Summer Music Series – Noise Bylaw Variance Request

**PURPOSE:** To consider a request from the Langham Cultural Society to vary the provisions of the noise bylaw for their summer music events.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. **Grant the variance. *The events can proceed as planned.***
2. Do not grant the variance. *Amplified music will not be permitted as part of the events.*
3. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT an exemption from the Noise Bylaw be granted to the Langham Cultural Society for their 2023 Summer Music Series.

**ANALYSIS:**

- A. **Background:** The Langham is planning another series of free public music events this summer, to be held on the stage at Front Street Park on Saturdays beginning June 24<sup>th</sup> and running through September 9<sup>th</sup> (with a pause for Jazz Fest). The events are approximately 2 hours long, and will take place between 2:00 p.m. and 7:30 p.m. A Council resolution is required to provide an exemption from the provisions of the current Noise Bylaw, which prohibits amplification.
- B. **Discussion:** The application was submitted 30 days in advance of the event, in accordance with the provisions of the Noise Bylaw. The proposed events are within the 3 hour maximum permitted by the bylaw.
- C. **Attachments:** Noise bylaw variance application
- D. **Financial Implications:** There are no fees associated with this request.
- E. **Corporate Priority:** Nil
- F. **Environmental Implications:** Nil
- G. **Communication Strategy:** Communications will be the responsibility of the event organizer.

SUBJECT: Kaslo Jazz Etc. Society – Request for Road Closure

**PURPOSE:** To consider a request to close a portion of Kaslo Bay Road prior to and during Jazz Fest.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. **Authorize the road closure. *The road will be closed from August 2-7.***
2. Do not authorize the road closure. *The road will remain open during Jazz Fest.*
3. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT portions of Kaslo Bay Road be closed to non-festival traffic from Wednesday, August 2, 2023 through Monday, August 7, 2023.

**ANALYSIS:**

- A. **Background:** The request for closure of Kaslo Bay Road was received by Council at the 2023.02.14 Council Meeting, and brought back to the 2023.03.14 Council Meeting. At that time, the following resolution was adopted by Council:

THAT the closure of portions of Kaslo Bay Road to non-festival traffic from 8:00 am Wednesday, August 2, 2023 until 8:00 am Tuesday, August 8, 2023 be referred to the 2023.05.09 Council Meeting

Additional information from the Kaslo Jazz Etc. Society was not available in time for the 2023.05.09 meeting. This information has since been obtained and the matter is back before Council for a decision.

- B. **Discussion:** The proposed road closure will improve public safety by restricting the number of vehicles that have access to the area during periods of heavy use. Jazz Fest staff will control access to the east end of Kaslo Bay Road to ensure that only permitted traffic can proceed.

Concerns raised by boat club members regarding access for boat club members have been addressed and each club will be provided with 10 reserved parking spaces. The boat clubs will provide Jazz Fest with a list of members' vehicles that are permitted to use the parking spaces on a first-come, first-served basis.

Members of the public expressed concerns regarding access to the public boat launch during the event. The event organizers have secured an alternate boat launch for use during the event to address these concerns.

- C. **Attachments:** Letter dated 2023.02.
- D. **Financial Implications:** A \$20 road closure fee will apply.

E. **Corporate Priority:** Nil

F. **Environmental Implications:** Nil

G. **Communication Strategy:** Communications will be the responsibility of the event organizer.

Feb 6, 2023

Ian Dunlop, CAO  
Village of Kaslo

Dear Ian,

Re: Use of Kaslo Bay Park for the annual Kaslo Jazz Etc Summer Music Festival 2023-25

Installation of production equipment for the 30<sup>th</sup> Annual Kaslo Jazz Etc Festival in Kaslo Bay Park will begin on July 24<sup>th</sup> 2023 and every effort will be made to have the park left in better condition than found for August 13<sup>th</sup> 2023. During pre **and post**-production time, the park and Kaslo Bay Park Rd will remain open to the public. Beginning at 8am Wednesday **Aug 2nd** 2023, we request exclusive use of Kaslo Bay Park, and permission to close Kaslo Bay Park Road to non-festival **and non-emergency** vehicle traffic.

We are requesting the following for a term of three years (2023/2024/2025):

1. **Approval to add the Holiday Monday to our programming (2pm - approx 9pm)**
2. **Renewal of the agreement for camping on municipal lands – The Riding Club, The Arena, as well as the grounds between The Arena & Riding Club. KJES will facilitate the operation of these campgrounds with partnership from regional NPO's who will operate the campgrounds directly as fundraisers.**
3. **Closure of Kaslo Bay Park Rd from the cenotaph to Kaslo Bay Park entrance and designating the road as a NO PARKING ON ROADWAY - TOW AWAY ZONE from 8am the Wednesday prior through 8am the Tuesday after the festival.**
4. **An extension of the park use rental for an additional 3 hours (until 12am) for the Friday, Saturday & Sunday of festival operation. Please see attached noise bylaw variance request for 2023, and apply same conditions to 2024 and 2025.**
5. **Continued support by the Village crew on park clean-up, maintenance and improvements.**
6. **Request to add a Kaslo Jazz Etc Festival banner to the 'Welcome to Kaslo' signs on the highways over the August long weekend.**

---

*Proud organizers of the Kaslo Jazz Etc. Summer Music Festival, held every August Long Weekend*

For 2023, we also request:

7. Beer Garden license for **Aug 4 – 7, 2023**. See attached application.
8. Assistance with dust control on Kaslo Bay Park Rd
9. **Rental** of Village of Kaslo portable toilets for Kaslo Bay Campground, as in previous years, from Wednesday, **August 2nd until** Wednesday, August **9th**.
10. Permission to reserve the ten (10) "Kaslo Shipyard Company" parking spaces on Kaslo Bay Park Rd. from Wednesday, **August 2nd to Tuesday, August 8th** to be used for Accessible / Mobility impaired patron parking.
11. Tree maintenance immediately prior to the festival for patron safety. Anything that can be done to prevent falling cottonwood branches in Kaslo Bay Park is appreciated.

As indicated in this letter and our various applications, you will notice that we are considering a 4 day festival this year by adding a shorter day on the Monday. As it is a holiday in BC and our event sold out in record time in 2022; we believe this is an appropriate way to sustain the festival through these challenging economic times without increasing daily attendance and still maintain similar attendance and operating hours as 2022. By adding a 4th day, this will allow more people to experience the festival, ease the burden on local businesses who are sometimes short staffed on the holiday Monday, and also allow us to remain more financially viable.

In addition, we have asked property owners of both South Beach and "Jazzlo Bay" to provide letters of intent to work with the Festival over the next three years. You will find a signed copy from Quality Property Inc (South Beach) attached to these documents, and we will forward the copy from Terra Investments (Jazzlo Bay) as soon as it arrives.

As part of our commitment to enhancing Kaslo Bay Park, KJES is pleased to provide approximately 100 hours of volunteer labor towards improving the park environment.

The KJES recognizes that the Kaslo Jazz Etc. Summer Music Festival puts extra demand **on the Village of Kaslo's resources** such as sewer system usage, garbage pick-up, and by-law enforcement. The KJES **acknowledges the impact of this event on the residents, stakeholders, and the environment and gladly supports an appropriate permit fee as required by the Village.**

Sincerely,

Paul Hinrichs,  
Executive Director

## REQUEST FOR COUNCIL DECISION

PREPARED BY: Catherine Allaway, Corporate Officer

DATE: May 18, 2023

SUBJECT: Sewer Service Area Bylaw 1289, 2023

**PURPOSE:** To consider adopting a bylaw that updates the mapping for sewer specified areas.

**OPTIONS:**

Recommendation is indicated in **bold**. Implications are in *italics*.

1. **Adopt the bylaw. *The bylaw will take effect.***
2. Refer back to staff for further review and report.

**RECOMMENDATION:**

THAT Sewer Service Area Bylaw No. 1289, 2023 be adopted.

**ANALYSIS:**

- A. Background:** Sewer Specified Area No. 1 Bylaw No. 859, 1994 authorized the establishment of a specified area for the purpose of funding the design and construction of a sewer system. The boundaries of Sewer Specified Area No. 1 were amended in 2020 by bylaw 1255. The current Liquid Waste Management Plan contemplates establishing additional Sewer Specified Areas (SSAs) for expansion of the system beyond the original service area, which must be established by bylaw. The bylaw received two readings at the 2023.04.25 Council Meeting, and third reading at the 2023.05.09 Council Meeting.
- B. Discussion:** The proposed bylaw establishes SSA#2 & SSA#3. The bylaw also establishes the Village's authority to operate the sewer system, including undertaking capital projects beyond the initial works outlined in bylaw 859. The proposed bylaw specifies that all operating costs will be borne by property owners within the area benefitting from the service, and allows the municipality to impose taxes to fund environmental education and monitoring activities.
- C. Attachments:**
  - Sewer Service Area Bylaw 1289, 2023
  - Sewer Specified Area No. 1 Bylaw No. 859, 1994
- D. Financial Implications:** There are no costs associated with adoption of the bylaw. The bylaw does address the options for funding improvements, maintenance and operation of the sewer system. All costs associated with a given SSA will be borne by the properties in that SSA. Education and monitoring costs can be apportioned across the entire community.
- E. Corporate Priority:** Expansion of the sewer system was identified as a priority in the Village's 2021-2025 Strategic Plan.
- F. Environmental Implications:** The adoption of this bylaw does not trigger any direct environmental impacts. The Liquid Waste Management Plan does establish a mechanism for

funding environmental monitoring and education activities. Future expansion of Village's sewer system will divert wastewater away from private septic systems to a facility where wastewater is treated to provincial health standards before entering the environment.

- G. **Communication Strategy:** A copy of the bylaw will be added to the website upon adoption.

VILLAGE OF KASLO

BYLAW NO. 1289

**A BYLAW TO ESTABLISH AND MAINTAIN THE SEWER SERVICE AREAS**

WHEREAS the Village of Kaslo adopted a Liquid Waste Management Plan, which involved extensive community consultation and was approved by the Minister of Environment and Climate Change Strategy,

NOW, THEREFORE, Council of the Village of Kaslo, in open meeting assembled, ENACTS AS FOLLOWS:

**1. Title**

This Bylaw may be cited as "Sewer Service Area Bylaw No. 1289, 2023".

**2. Definitions**

**Benefiting Area** means the area described in Schedule A to this bylaw and is the area benefited by the sewer works and services now in place and/or set forth as a future Specified Service Area.

**Specified Service Area (SSA)** means a portion of the Benefiting Area representing each phase of construction and planned future expansion of the sewer service, as shown on Schedule A to this bylaw.

**Village** means the Village of Kaslo

**3. Authorization to Construct and Operate the Sewer System**

3.1. The Village is hereby authorized to provide, operate, maintain, and to undertake and carry out, or cause to be carried out, the design, construction and operation of the sewer system and do all things necessary in connection therewith for the benefit of the Benefiting Area.

**4. Capital Expenditure**

4.1. The Village is authorized to upgrade, expand, and renew the sewer system within the Benefiting Area and may secure funds for such works by:

4.1.1. Pursuing grant opportunities;

4.1.2. Establishing local service area taxes, development cost charges, connection fees, or extended service agreements, by bylaw, which may be levied at different rates in each SSA based on the cost of works undertaken, planned, or required to maintain a good state of repair benefiting the SSA;

- 4.1.3. Providing the Village portion of funding by draw upon Village reserve, surplus funds or operating revenue as established in the Village's annual financial plan; and,
- 4.1.4. Borrowing funds, by bylaw, subject to the requirements of the Community Charter or another Act, and if required, elector approval

## **5. Operating Costs**

- 5.1. The entire cost of providing the sewer service to the Benefiting Area shall be borne by the owners of real property, including land and improvements, and the users of the sewer service, and a sum sufficient therefore shall be recovered for such period of time as necessary by the imposition of:
  - 5.1.1. User rates established in the Fees and Charges Bylaw or other bylaw;
  - 5.1.2. Local service area taxes or other charges provided in the Community Charter; or,
  - 5.1.3. Any combination of the above methods, which shall be imposed by Bylaw.

## **6. Environmental Education and Monitoring**

- 6.1. As outlined in the Liquid Waste Management Plan, the Village may impose, by bylaw, a community-wide tax borne by all owners of real property, or other charge provided in the Community Charter, towards wastewater-related public education, receiving environment monitoring, and treatment performance including the overall performance of private sewerage systems and groundwater monitoring, which are initiatives that broadly benefit the community and environment.

## **7. Acquisition Authority**

- 7.1. The Village is authorized to acquire all such real property, easements, and rights-of-way and to enter into leases and to obtain other rights and authorities as may be required or desirable in connection with the construction and maintenance of the sewer system.

## **8. Severability Clause**

- 8.1. If any section, subsection or clause of this bylaw is for any reason held to be invalid by the decision of a court of competent jurisdiction, such decision will not affect the validity of the remaining portions of this bylaw.

## **9. Effective Date**

- 9.1. This bylaw shall take effect upon adoption.

THE CORPORATION OF THE VILLAGE OF KASLO  
BYLAW NO 859

SEWER SPECIFIED AREA NO. 1 BYLAW

WHEREAS pursuant to the provisions of Part 16 Division 2 of the Municipal Act R.S.B.C. 1979 c. 290, the Council of the Village of Kaslo is empowered by bylaw to undertake any work or service coming within the powers of the Municipality for the special benefit of a specified area of the Municipality;

AND WHEREAS the Council of the Village of Kaslo has received a petition pursuant to Section 658 of the Municipal Act from the owners of certain properties lying within the said specified area of the Municipality to have certain works undertaken to provide services to the specified area;

AND WHEREAS the Clerk of the Village of Kaslo has determined the sufficiency of the petition pursuant to Section 659 of the Municipal Act;

AND WHEREAS it is intended to design and construct certain works for the purpose of providing a sanitary sewer service to an area of the municipality known as Specified Area No. 1, where the estimated cost of constructing these works is estimated to be \$1,446,000.00 and the amount of debt that is intended to be created by this bylaw is \$361,500.00;

AND WHEREAS it is deemed desirable and expedient to define a Specified Area within the Municipality, hereinafter referred to as Sewer Specified Area No. 1 for the purpose of designing and constructing a sanitary sewer system;

AND WHEREAS the provisions of Part 16, Division 2 of the Municipal Act have been complied with;

AND WHEREAS the amount of the assessed value for general municipal purposes on the taxable land and improvements determined in accordance with the Assessment Act for the current year and for each of the two years immediately preceding the year in which the debt is to be created is:

1992 -	\$23,670,695
1993 -	30,027,343
1994 -	43,798,750

AND WHEREAS the assessment values of the specified area for the year 1994 are \$11,134,000;

AND WHEREAS the value at 31 December 1993 of the water utility system and other municipal enterprises was \$1,837,584;

AND WHEREAS the amount of the authorized debt of the Municipality is \$1,081,945 of which \$1,021,945 is existing outstanding debenture debt and \$60,000 is authorized and unissued debenture debt and none of the principle and interest of the debenture debt of the municipality is in arrears;

AND WHEREAS the approval of the Inspector of Municipalities has been obtained;

AND WHEREAS the maximum term for which debentures may be issued to secure the debt created by this bylaw is 25 years;

AND WHEREAS the debt to be created by this bylaw is the sum of \$361,500;

NOW THEREFORE the Council of the Village of Kaslo, in open meeting assembled, enacts as follows:

1. Citation

This bylaw shall be cited as the "Sewer Specified Area No. 1 Bylaw No. 859, 1994".

2. Benefiting Area

The portion of the Village, more particularly described in Schedule A attached hereto and as shown outlined on the plans contained in Schedule A, shall be the area of the Village of Kaslo benefited by the works and services hereinafter set forth, which area is hereinafter referred to as the "Benefiting Area".

3. Authorization to Construct Sewer System

The Village of Kaslo is hereby authorized to provide, operate, maintain and to undertake and carry out, or cause to be carried out, the design and construction of a sewer system and to do all things necessary in connection therewith for the special benefit of the benefiting area.

4. Authorization to Borrow

The Village of Kaslo is hereby authorized to borrow, upon the credit of the Village of Kaslo, a sum not exoeeding \$361,500 for the purpose of constructing the works, more particularly described in Section 3 for the special benefit of the benefiting area.

5. Acquisition Authority

The Village of Kaslo is hereby authorized to acquire all such real property, easements and rights-of-way and to enter into leases and to obtain other rights and authorities as may be requisite or desirable for in connection with the construction of the works described in Section 3.

6. Parcel Tax Levy

The entire cost of providing the sewer service shall be borne by the owners of real property, including land and improvements, and the users of the sewer service within the benefiting area, and a sum sufficient therefore shall be recovered for such period of time as necessary by the imposition of user rates, frontage and/or parcel tax or other charges provided in the Municipal Act, or any combination of these methods, to be imposed by bylaw pursuant to the Municipal Act.

7. Insufficient Repayment Funds

Should the sums recovered under Section 6 be insufficient to meet the costs of providing the service, a levy may be made within the benefiting area in the manner prescribed in the Municipal Act on the basis of assessment as fixed for general municipal purposes.

8. Cash Commutation

Any person whose parcel is subject to being specially charged under Section 6 for the cost of the debt intended to be created by this bylaw, may commute their share of the project cost by payment in cash under the terms and conditions set by separate bylaw under the provisions of Section 674(3.1) of the Municipal Act.
