- clarification on the meaning of Acting Mayor and Chairperson in regards to Section 3(1)(c) and Section 3(1)(d) of the current bylaw
- review the term "incidentals" and perhaps remove reference to it entirely
- replace references to rates of the Federal Treasury Board with references to the rates of the Province of British Columbia (Ministry of Finance)
- have a flat rate amount that covers meals and incidentals for each 24 hour period away outside of the Village of Kaslo and/or Area D
- have a reduced rate for periods less than 24 hours but more than 4 hours (maybe rates for breakfast, lunch, and dinner)

- review and potentially increase the amount provided for an electronic device
- retain Section 3(2) of the current bylaw which outlines consequences for Council Members being unavailable for a certain amount of time.
- potentially include provisions for compensation for childcare expenses
- include reference to training opportunities for Council Members and how they can request
- include wording regarding parental leave for Council Members (i.e., the ability to attend meetings virtually, the opportunity to request extended leave by Council resolution)
