Subject: North Kootenay Lake Arts & Heritage 2019 Recreation Grant Final Report
Date: October 12, 2023 4:44:56 PM

Dear Village of Kaslo

I am writing to confirm that the activities outlined in the grant application from NKLAHC in 2019 for \$400 to support the Art in the Market initiative indeed took place as outlined in their grant application.

I can also confirm, after having spoken to two previous board members, that a final report was not submitted. This was due to multiple factors including an accounting software malfunction, the death of a hard drive, limited capacity on the part of the remaining board members who were admittedly overwhelmed, and a pandemic.

In February 2023 an extra-ordinary meeting was called to hand over the reins of the arts council, or close the society. I, along with five other community members, stepped up to become the new board of directors and it is our intent to revitalize and re-establish the arts council in our community.

Please take this into consideration as you decide whether or not to fund our current request for financial assistance.

Yours truly
Lynn van Deursen
Secretary
North Kootenay Lake Arts Council

Grant funds were used to purchase four Skatmate skating aids in November 2021. These aids are used by children learning to balance on skates at the Kaslo Arena. Children have opportunities to learn to skate at Family Skating, Moms & Tots and Public Skating sessions.

Our previous collection of skating aids had slowly broken down over the years. We had intended to purchase 7 skating aids, but instead purchased 4 sturdier, higher end models.

ATTENTION: Ms. Catherine Allaway, Corporate Officer

Dear Ms. Allaway:

**RE: KASLO RACQUET CLUB
VOK'S 2023 SPRING RECREATION GRANT / VOK'S CHEQUE # 23257 for \$500**

Please find attached a copy of Pickleball Depot's invoice # BBMAN83879 in the amount of \$508.08 for the purchase of pickleball paddles, thus spending the funding granted. These will be used during our "Meet & Greet" events where we open for the public to come and try the sport & hopefully get them hooked! They will also be very useful for those who wish to play but cannot yet afford to purchase the paddles especially the students and some of the elders.

We once again and on behalf of Kaslo Racquet Club, we are extremely grateful for the Municipality's financial support. We would not be where we are if it were not for the Municipality.

Yours sincerely,
KASLO RACQUET CLUB

Subject: Kaslo Spring Rec Grant 2023 finial report for 20

I am sending in the finial report for the 2023 Spring rec grant .

KORTS received \$500 to spend on trail Signage , I can not seem to find the finial report form , so if this format is not adequate , then please forward me the report form.

The money was spent on designing and printing the large trail maps that are on the various kiosks located in and around Kaslo.

The signage cost us \$1028.76 . I have attached the 2 invoices for this project .

Thank you for your support

USE OF GRANT FUNDS – Describe how grant funds will be spent (see the Recreation Grant Policy for information about eligible expenses)

KORTS prints 14 large format maps each year so that trail information remains current and relevant. We use Hall Printing in Nelson as they are the only local printing firm that can do large format laminated prints. The KORTS cost in 2023 was \$1048 so \$500 Rec Grant would help offset our cost.

WHO WILL BENEFIT – Tell us about the targeted participants and/or audience.

Kaslo and area residents and visitors

ACCESSIBILITY – What measures, if any, are in place to make the project activities accessible to all?

All maps are placed in accessible locations and small format versions of the same map are available online on the KORTS Blog page.

DESCRIBE YOUR PROJECT

2024 Banner Replacement Project

The North Kootenay Lake Arts Council (NKLAC) has not been very active in the past few years and consequently the bi-annual painting of new banners to adorn the lamp standards in the downtown core has not happened. Some of the 'old' banners were displayed this year, but it was obvious that most of them were wearing out, and will need to be replaced.

NKLAC plans to purchase 22 new blank banners to be painted by local artists and community members in time for Kaslo May Days 2024.

DESCRIBE NEED FOR FUNDING

Any financial assistance would be greatly appreciated. Due to the pandemic, and the previous board's lack of capacity, NKLAC has not held its annual fundraiser for the past three years resulting in diminished resources to carry out arts initiatives as is their mission and mandate.

The NKLAC mission statement is:

Art represents the heART of a community. The North Kootenay Lake Arts Council (NKLAC) is dedicated to fostering and promoting the enjoyment of, and the production of, works in the arts, by initiating and organizing arts activities, experiences and events, with the goal of contributing to the vibrancy, well being and sustainability of the community as a whole, that is creative, diverse, accessible and inclusive.

PROJECT LOCATION

Kaslo Downtown Core

PROJECT BUDGET

We surmise that our overall expenses for the 2024 banner replacement project will be approximately \$2930 (\$1430 - 22 new banners / \$400 - 10 replacement stanchions / \$1100 - 22 artist honorariums)

USE OF GRANT FUNDS

NKLAC is asking for \$500 towards the purchase of the new banners. 22 new banners @ \$58 each = \$1429.12 (plus tax & shipping)

WHO WILL BENEFIT

The connection between well being and art is evident throughout the world. It has been well documented that engaging in creative expression helps maintain our immune systems and is clinically proven to reduce stress, elevate mood, and lower blood pressure! Combine these findings with the benefits of walking around the downtown core and enjoying the colourful banners, and we've got a win win for enhancing the well being of community members and tourists alike.

ACCESSIBILITY

NKLAC will be reaching out through email and social media to its members and the community at large with an expression of interest early in 2024 to find the 22 people who would like to paint one of the banners. We will be providing a small honorarium to all painting participants to acknowledge their time creating and to help them cover the cost of paint etc. The finished banners themselves will be visually accessible to all who wander Kaslo's downtown core and care to look up!

Sincerely yours
Lynn van Deursen

DESCRIBE YOUR PROJECT – Tell us who/when/what will be happening:

We would like to order a rink divider made of cushion and vinyl for our minor hockey players & arena users. The divider will be used to split the ice in half so we can utilize shared practice times & games. The divider essentially gives us two rinks for the price of one, and keeps kids & pucks on their side.

DESCRIBE YOUR NEED – Explain your group's need for funding:

User fees at the arena have increased, using the divider to share an ice time will save minor hockey a substantial amount of money, that can be used towards supporting teams with tournament fees, and equipment purchases.

DESCRIBE YOUR PROJECT – Tell us who/when/what will be happening:
The 'Adult & Teen maker program series' includes a total of 8 events: 4 intro to video editing sessions for teens, 3 hands-on maker workshops for adults, and a special teen & adult Christmas card making workshop with scrapbook artist Val Smith. This project will offer opportunities for learning something new or something old-fashioned, sharing creative ideas, and connecting with others. Dates will be set with facilitators. Programs will be advertised. The library will be set up with necessary equipment and supplies to host barrier-free programs.

DESCRIBE YOUR NEED – Explain your group's need for funding:
Our need is to fulfil our vision so that "All members of Kaslo and Area D have equal and inclusive access to resources and programs that meet their needs for lifelong learning, information, recreation and education in a functional and safe environment." We have core programs afforded by operating grants and apply for local grants to provide additional opportunities for community members.

PROJECT LOCATION – Describe where the activities will take place:
All 8 sessions will take place at the Kaslo & District Public Library

PROJECT BUDGET – List all sources of revenue and all expenses or attach a separate page with this information:

Revenue		Expense	
Source	Amount	Description	Amount
Village of Kaslo: Recreation Grant	500.00	Project Coordination	870.00
ReDi grant - approved	600.00	Facilitator - Neil Johnson	400.00
BC Equity Grant- confirmed	674.00	Facilitator/Supplies - Val Smith	350.00
Kootenay Library Federation - confirmed	266.00	Maker program supplies	300.00
		Snacks for maker program	120.00
Total Revenue	2040.00	Total Expense	2040.00

USE OF GRANT FUNDS – Describe how grant funds will be spent (see the Recreation Grant Policy for information about eligible expenses)

The funds will be spend on supplies, facillitators, and coordination. The Village recreation grant will not be used for snacks and all other expenses are eligible according to the policy. Administration is in kind.

WHO WILL BENEFIT – Tell us about the targeted participants and/or audience. The target audience is teens and adults. These active programs offer opportunities for creating, sharing creative ideas, and connecting with others for lifelong learning and enjoyment. Hired facilitators will benefit from sharing expertise and earing income. The last time video editing was offered (pre-COVID), teens created a fun 2-minute film that showed what the library means to them. This was enjoyed by all who attended a local town hall presentation regaring the future of the library. It connected seniors with youth. Adults thoroughly enjoy maker programs and have asked for more.

ACCESSIBILITY – What measures, if any, are in place to make the project activities accessible to all?

By applying for grant funding, we can ensure that ALL programs are barrier-free and accessible to all. If a person with a disability joins the program, we will make all efforts to accommodate. Currently, we have wheelchair access with automatic doors, and wide tables with room for a wheelchair. Laptops are provided for the video editing sessions and program supplies are supplied. There is no fee.

USE OF GRANT FUNDS – Describe how grant funds will be spent (see the Recreation Grant Policy for information about eligible expenses)

Grant funds will be used to purchase 8 pairs of rain pants to ensure that children are kept warm and dry when playing outdoors.

WHO WILL BENEFIT – Tell us about the targeted participants and/or audience.

KLISS operates Periwinkle Children's Centre as its sole purpose. Periwinkle is a Group Child Care facility for children aged 30 months to school age serving the Village of Kaslo and RDCK Area D.

Beneficiaries will be the children who attend Periwinkle. Periwinkle has 20 families registered for the 2023-2024 school year.

ACCESSIBILITY – What measures, if any, are in place to make the project activities accessible to all?

This purchase ensures children of underprivileged families are able to participate fully in Periwinkle's programming. Providing high quality outerwear means that the children using the rain suits are both comfortable and unaware of any distinction between themselves and the other children.

Periwinkle Children's Centre also participates in the Supported Child Development Program (SCDP), which provides additional staffing and resources for children with special needs. Three SCDP supported children are currently attending Periwinkle.
